Mr. Robinson,

It was nice to speak with you the other day. Hope your new year is starting well. Concerning you questions I offer the following;

- 1) My wife is a Director of a local Type 1 Elementary Charter School. The school starts with Pre-school kids and goes up to 8th grade.
- 2) No immediate family that I know of is associated with Nicholls State University. Two of my children attended the university but have graduated and are married.
- 3) The BESE board only deals with Elementary and Secondary (High School) education.

Feel free to ask any questions that you need answered. If you feel that I need to be available in person or by phone to answer any board questions, please let me know or call me on my cell at (985) 803-6591.

Thanks in advance for your help,

Subject: Advisory opinion follow-up

Importance: High

Good afternoon Skipper,

I recently received your advisory opinion request regarding your firm being part of an RFP to FP&C for a renovation of two halls on the Nichols State University Campus. In order for the Board to more properly answer the request, please answer the following questions:

- 1) What is your wife's occupation?
- 2) Are either you or your wife, children or their spouses, brothers/sisters or their spouses, or parents employed, in any capacity, with Nichols State University? If so, what is their position?
- 3) Does BESE have any authority or jurisdiction over Nichols State University?

I may have more questions based on your answers. Your prompt responses is greatly appreciated.

Thanks,

Brett Robinson
